

PRICING

Minimum cut amount: **800 units per style**

Cuts below 800 units of one style is unacceptable unless manufacturer agrees to pay as "**Sample Production**".

Sample Production amount: 1 to 150 units charge by an hourly rate \$42.00, 151 to 799 units price is regular price with additional 50%

Example: T-shirt \$1.80, with quantity of 50 units (sample production) would be $\$1.80 + 50\% = \2.70

Factors that effect production price for each style:

1. Sewing construction
2. Number of colors (if you have more than 3 colors for 800 units, extra cost will be considered)
3. Garments that need to be sent out by our factory for eyelets, silk screen, etc.
4. Shipping & receiving by our factory

**WE DO NOT PRODUCE STYLES REQUIRING
GARMENT DYE UNDER 2,000 UNITS.**

In order to give you an estimate price per style, samples must be provided. If not, we cannot price correctly. Price will be written out similar to the sample below.

STYLE	DESCRIPTION	PRICE RANGE
9066	Skirt	\$2.10 - \$2.30

Once price is agreed upon by both parties, an Agreement Contract document must be signed.
