

SAMPLE PRODUCTION

Sample production is sewing serviced for small quantity (units 1-50). Usually catered for showrooms, buyer display, and design prototype.

\$36.00 per hour for sample production.

45 minute free consultation per meeting, thereafter, \$35.00 flat per hour.

Consultation fee: \$30.00 to visit client's office within Los Angeles.

Requirements:

1. Actual sample for us to visually dissect sewing construction. If you have sewing construction alteration, have all details written to avoid verbal confusion. Swatches, trims, thread color sample, and so forth available.
2. C.O.D. upon receiving finished production.
3. Packaging: If you want us to package, please provide tags, hanger, and poly bags, etc.

Please contact us to discuss rates. Rates will vary dependent on the amount of work to be handled.
